

Grady-White

Grady-White's new flagship, the Canyon 456 center console (45' LOA, 14' beam) is spacious, technically sophisticated and richly appointed. The SeaV2 hull design offers performance and seaworthy reliability. Ease of use and technical achievement aboard the Canyon 456 starts with Grady's exclusive Sea Command Center that includes the capacity to comfortably seat seven people under the T-top. The 456 is equipped with a Seakeeper stabilizer, and Yamaha's Helm Master system with Set Point is standard. Powered by four Yamaha 42.5-hp outboards, the boat runs to a top speed of 58 mph and cruises 388 miles at 23.8 mph. gradywhite.com
