

DOCK Lines

The newsletter of The Grady Life

Raised on the water, boat loving couple says third Grady-White is the charm (or will there be a fourth?)

What's not to love about a boat, and the company that built it, when your ideas are integrated into the design? When Tom and Marge Towers decided to buy [their third Grady-White](#), Tom had a few product suggestions, and the Grady team was happy to listen.

Grady Days SALES EVENT
