

Happy Thanksgiving!

This, and every year, the Grady-White team is thankful for our customers and associates. We love that you share your Grady joys with us throughout the year for our [Facebook page](#), [web gallery](#) and [newsletters](#). We wish you all a very happy Thanksgiving!

“It’s not the Destination, It’s the Trip” says Grady Loving Family

Plenty of people in eastern North Carolina know the Taylor twins and their mischievous ways. Which, by the way, are legendary. Together they’ve made some amazing memories on Grady-White boats. In fact, some of their earliest shenanigans on the Pamlico River centered around a 16-foot Grady-White dual console their father bought them for skiing and duck hunting. [Read more about the Taylors' adventures.](#)

Grady-White Introduces New Hull Color

We know our customers love having a variety of hull colors to choose from. That’s why Grady-White has introduced the all NEW Ocean Mist Blue to its wide selection of colors. With nine options, you’re sure to find the right color for your boat at Grady-White. [Build your Grady today](#), and see how the new color looks on your favorite model!

Expert Tips for Fuel System Winterization and Maintenance

Customers often ask if they should keep their fuel tanks empty or full during winter storage. If you research the subject, you will find people recommending both options, which is confusing for some Grady customers. We reached out to our Customer Relations Representatives to get [the right answer for your Grady-White boat.](#)

Lovin’ The Grady Life

Everyone is welcomed into The Grady Life! [Get a glimpse](#) of the everyday enjoyment you, your family and friends will experience when you head out on your Grady-White boat.
