“Get yourself a Grady-White *Fisherman 236* and live the life you’ve always dreamed of!”

Great advice from *Coastal Angler Magazine*. Watch this video that highlights their day on the water catching dinner and revealing the many features that make the 236 one terrific boat for fishing and family fun. [Watch now.](#)

## WINTER SALES EVENT

LIMITED TIME ONLY

Freedom 325

Time is running out! The Grady-White Winter Sales Event ends soon.

Prime boating season is quickly approaching and in some areas of the world it’s taking place now! There’s no better time to take advantage of Grady’s factory savings and dealer incentives going on now—during our Winter Sales Event. It’s your last opportunity to get the best deal on your new Grady. See our impressive lineup of dual consoles, center consoles, coastal explorers and cabin boats from 18 to 45 feet. [We’re sure to have the perfect boat for you and your family.](#)

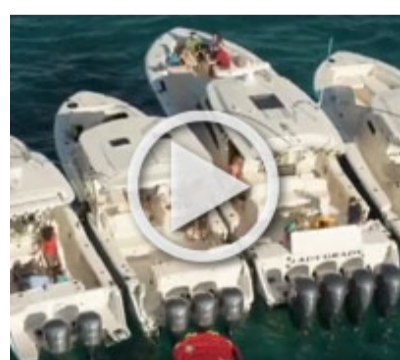

Protect your boat when tying up at the dock.

Fender tying can be somewhat of an art! This video makes it easy. [Take a look and master the technique](#) so you’ll be good to go on your next outing.

Make this a part of your spring and fall boating checklist!

Fuel tanks should be visually inspected and the exteriors rinsed off with fresh water at least twice a year. [Check out this maintenance tip](#) along with more recommendations to keep your boat running well.

### More Than a Boat

Grady-White ownership goes beyond the joys of boating to making a lifetime of memories with family and friends. [Get a taste of The Grady Life here.](#) Stop imagining this lifestyle and go make it a reality!

### Grady Owners Love to Share

Our owners are passionate about their boats and they love to share information with other Grady owners. You can also see what other Grady owners are doing by joining us on [Facebook](#) and [Instagram](#).

### Looking for the perfect family dual console?
