Cruising Couple Finds The Right Fit With Grady-White Dual Consoles

Terry Early's introduction to boating began as a young boy spending vacations and weekends at Lake of the Ozarks, MO, where his father always had small power boats. After college, Terry moved to Houston, TX, where he primarily sailed on Galveston Bay. After a few trips to the Gulf Coast, Terry got "salt in his veins" and knew he wanted to spend more time on a body of water that allowed more exploration and travel options.

Conservation

NOAA Fisheries recently issued the final ruling regarding the requirement of rigged and ready for use descending devices on board all recreational boats that are fishing for or possess snapper-grouper species in South Atlantic federal waters.
