Grady-White

by [Partner Content](#) December 1, 2020

Established in 1959 in Greenville, North Carolina, Grady-White earned a legendary reputation for building ruggedly elegant coastal fishing boats, developing great craftsmen, and nurturing strong customer relationships. Owner, Eddie Smith, set the bar high when he purchased the company in 1968 and under the leadership of President Kris Carroll, the Grady-White team has achieved uncompromising quality through exceptional attention to detail. This results in a company that embodies integrity, pride in work well done, and care for customers and community.

There are many reasons to purchase a Grady-White boat including company heritage, innovative design, exceptional attention to detail, and award-winning performance. Add to that the highest level of customer satisfaction in the boating industry and you'll love living the Grady Life. Learn more about the company's philosophy and why it makes a Grady-White boat the top choice for boat ownership.

Grady-White Canyon 336

Recently redesigned, [Grady-White's Canyon 336](#) is the best 33-foot center console for the sportfishing family. The console design includes a spacious helm, full-height windshield and provides exceptional visibility. The best saltwater fishing boat, the 336 has numerous features throughout including dockside power, a deluxe rigging station, and a cabin with stand-up head that includes a shower and sink. You'll be hard-pressed to find another boat of this size with the same level of enhancements and upgrades!
