## Husband and Wife Duo Find Valuable Family Time on Their Grady-White Boat

As a world-famous golfer, you can imagine Bubba Watson and his wife, Angie have to work hard to carve out uninterrupted time. With a little help from their Grady-White boat, they've been able to do just that, much to the delight of their two children – nine-year-old Caleb, and six-year-old Dakota.

### Refine Your Boating Skills

If you're new to boating, or even if you are not, it's always a good idea to review the basic principles to keep you, your passengers, and your Grady safe. There are many options available from tips and online courses to actual hands-on learning.

### Find Your Fishing Hotspot

Takemefishing.org wants to make boating and fishing accessible for everyone. Get your fishing license, register your boat, and locate boat ramps and local fishing spots in the area where you boat. You can also view the different types of fish species that are in those area waters.

## Living the Grady Life

We are thankful that COVID-19 cases seem to be slowing down and many have already gotten, or are in the process of getting, their vaccinations. Boating has proven to be a great escape over the past year, and we're excited to see that fun continue into 2021. Here is a little inspiration to entice you to get back on the water if you haven't already. Please keep sending us your photos and encouraging others to join the Grady Life!

### Boat Safety

Buoys and markers are the traffic signals of the waterway. Naturally, you'll want to learn what they mean if you are new to boating, or refresh yourself at the start of the boating season even if you are a seasoned skipper.
