Your connection to the Grady Life

## *This Grady Fanatic Strengthens Bonds with Family and Friends While Promoting Environmental Stewardship*

This super-active Grady-White owner confesses he really wasn't into boats when he was young, but it only took one trip to change his way of thinking. That trip sparked a whole new way of life for him and his family and friends. Almost 25 years and eight Gradys later, they're all still loving The Grady Life.

### *A Commitment to Safety*

Grady-White Boats has long been a champion of safety for our team members and our customers. We incorporate numerous safety features in all our boats, starting with materials that make every Grady unsinkable.

Here's how we're extending our efforts beyond the factory!

### *Keep Your Bait Alive and Active*

Sometimes the difference between going home empty-handed and landing a big fish depends on your bait quality. Grady-White's livewells are designed to keep your bait fish lively so they'll attract the bite. Eric Sorensen demonstrates how to set up your livewell and some important steps to take once you're finished for the day.

### *Boating in Low Visibility*

Even the best laid plans sometimes go awry.

Here are a few good resources to review before you find yourself on your boat in low visibility or the dark. It can happen to anyone – how you manage this challenge is primarily based on the prep you do before you ever get in that situation.
