The New 231 CE, A Real “Do it All” Boat!

Catching a prized fish in the shallows is exhilarating, and our new 231 Coastal Explorer can get you back in the inshore waters where they love to hide. If spending the day at the sandbar is more your speed, the 231 CE rises to that occasion equally well. Loaded with a slew of both fishing and comfort features, the new 231 Coastal Explorer is a superb boat for whatever the day brings your way.

Keeping Your Boat Shipshape

Remember the excitement you felt the day you took delivery of your new Grady-White boat? With a little time and effort, you can experience that same feeling at the start of each new boat season. Proper maintenance not only promises years of enjoyment but also helps preserve your boat's beauty and protect its value for years to come. Here are a few tips we've put together to help you keep your boat glistening in the sunlight just like the day you brought her home.

Protect Your Engine

Keeping your boat's engine in good working order starts with using the right fuel. That can sometimes be confusing when you get to the pump, so we've compiled a few tips about which fuel to use as well as other ways you can keep your Yamaha engine running smoothly.
